

国际华人教育技术协会  
Society of International Chinese in Educational Technology

Thursday, April 07, 2011

Dear All,

The *Journal of Educational Technology Development and Exchange* (JETDE) is published one issue annually by the Society of International Chinese in Educational Technology (SICET). With the aim of aggregating international Chinese scholars and experts in the field of education technology, encouraging academic cooperation and communication, and supporting among professionals, JETDE provides a multidisciplinary forum and focal points for SICET members to exchange practice and research among disciplines, educational levels, and educational technologies. We feel that if you put your professional effort and dedication, you can showcase your study with the wits and style in this journal. Please consider contributing your work to the fourth issue of JETDE. Here are some important dates:

1. July 31 – submit your full paper to Dr. Hao Yang (USA) at [harrison.yang@oswego.edu](mailto:harrison.yang@oswego.edu) or Dr. Hongbo Song (Mainland China) at [hongbo\\_song@hotmail.com](mailto:hongbo_song@hotmail.com); no late submissions will be accepted;
2. August 31 (tentative) – authors will be notified acceptance or rejection;
3. September 30 (tentative) – camera ready full papers will be submitted;
4. October 15 (tentative) – the fourth issue of *JETDE* will be published.

### Manuscript Guidance

- Manuscripts must be original work that has not been published in any types of publications.
- Manuscripts must include paper title, abstract (less than 200 words), keywords (no more than 5), main text and references.
- Manuscripts should be written in English.
- Manuscripts should be in MS Word format ONLY. All contents, including text, figures and tables, should be surrounded by 1-inch (2.54-cm) margins on all four sides. Information of page numbers, header, footer, and footnote should **not** be inserted in the manuscript.
- The journal supplies the sample/template of a manuscript to help preparing manuscripts, which has a particular description of format of paper. Please set up your paper type according to the sample/template.
- Length of the manuscripts is restricted to a maximum of 15 single-spaced pages, including references and figures/tables.
- A separate file of cover page is also required including author's name, academic title, working address, e-mail address, and telephone number.

**Type of Manuscript:**

- **Research, fundamental theory, and empirical studies**  
Manuscripts with integrative and evaluative reviews, interpretations of substantive issues and case studies, and original qualitative and quantitative research.
- **Practice and position papers**  
Manuscripts bridging the gap between theory and practice; drawing extensively on real practical experience; discussions on current issues, new ideas, and concepts; review papers, reports on innovative applications and projects; evaluations of software and new technologies, comments and opinions, etc.

If you have any questions or concerns, please feel free to contact me at [harrison.yang@oswego.edu](mailto:harrison.yang@oswego.edu)

Sincerely,

Hao Yang, Editor
